Dear Sir/Madam:

Greetings of peace!

We are from the Rural Missionaries of the Philippines – Northern Mindanao Sub-Region (RMP-NMR) Inc, an inter-diocesan and inter-congregational organization of religious, priests and lay individuals working for the land rights of the rural poor.

Together with different youth organizations in the region, we would like to invite you to a Peace Camp dubbed #PeaceGoals: Youth Aspirations for a Just and Meaningful Peace on February 10-12 in Malaybalay City, Bukidnon.

The camp is part of a bigger project titled 'Pax Ganern', a media literacy initiative for the youth with the support of the World Association for Christian Communication.

Our partners come from an array of social and political backgrounds as we intend to form a broad network of youth organizations and individuals supporting the peace processes in our country.

The camp's core program highlights the background of the peace talks between the Government of the Philippines and the National Democratic Front of the Philippines, and the important role of media and its consumption in the peace process. Workshops for various creative expressions – such as the visual arts, writing of creative non-fiction, peace journalism – also form part of the program as we will be launching a peace campaign through several social media and offline platforms after the camp.

We have attached an outline of the program flow. We welcome your questions, which you may direct to us, RMP-NMR through our email [info@rmp-nmr.org](mailto:info@rmp-nmr.org) or [rmp.nmr@gmail.com](mailto:rmp.nmr@gmail.com).

We look forward to your being a part of this aspiration for a just and meaningful peace in our country.

Warm regards,

Ailene Villarosa
